

Contrasts

```
graph TD; A[Contrasts] --> B[Effects]; B --> C[Sum of Squares]; A --> C; C --> D[ANOVA];
```

A flowchart illustrating the relationship between statistical concepts. It starts with 'Contrasts' at the top, which leads to 'Effects'. Both 'Contrasts' and 'Effects' lead to 'Sum of Squares'. Finally, 'Sum of Squares' leads to 'ANOVA'. The 'Sum of Squares' box is highlighted in a darker blue color compared to the others.
